Our priority is to provide our customers with the information to make a choice based on their dietary requirements.  
 At Burger Edge we take the utmost care to identify ingredients that may cause allergic reactions for those with food allergies.  
 The information contained in this panel is based on manufacturer's information provided to Burger Edge.  
 Although care is taken when making our burgers we cannot guarantee a 100% allergen free environment as cross-contamination may occur during the manufacture, storage or cooking process.

**NUTRITIONAL INFORMATION**

Burger Edge burgers are handmade and average serving sizes are based on the approved Burger Edge recipes and cooking instruction manual. As a result, variations may occur to these figures without notice due to unforeseen ingredient changes and/or quantities. Please use this panel as a guide only. Average adult daily intake of 8700KJ. Daily intake may be higher or lower depending on individual energy needs.
